<b>Description</b>	(Please attach draft programme) The training of trainers (TOT) will be organized prior to the formal delivery of the courses for young teachers. Workshops on the teaching methods for the new materials and ways of learning will be held at least twice during the procession of the project. Among these two, one will be organized by European professors in Europe, the other by the applicant in Chengdu. European professors will be solicited to transmit information about the investigation and colloquium skills and attitude toward teaching and learning seminars will be held for the training and through discussions between the trainers and trained teachers, the new teaching methods will be digested and adapted.	
<b>Impact</b>	The TOT should help teachers getting familiar with the EU governance issues and newest methodology for teaching.
